Donate for free to **project name here**

Do you ever shop online? If you do this from now on via doelshop.nl/projectname, you can donate for free to our project without having to pay anything extra!

Basically all major webshops have joined like Bol.com, Booking.com, Ali Express etc.. You ultimately buy the product in the webshop itself, but because you do this **via our weblink** a part of your purchase amount becomes a donation.

How?

You can do this by choosing "**project name here**" at DoelShop.nl or by shopping via doelshop.nl/projectname. Simply click through to the webshops you normally shop at, you'll pay nothing extra. With every purchase you donate automatically and free of charge to our cause.
